

**SCHOOL OF
COMPUTING**

Department of Computer Science and Engineering
23CSE203 Data Structures and Algorithms

Lab Sheet 3: Stack

CO4: Analyze the impact of various implementation and design choices on the data structure performance.

BTL 4 :Analyzing, Comparing, Applying concepts in new situations

Submit the following Leet code Questions:

1. **155. Min Stack**
2. **895. Maximum Frequency Stack**
3. **946. Validate Stack Sequences**
4. **1441. Build an Array With Stack Operations**
5. **1381. Design a Stack With Increment Operation**
